

9

9. AMPFIBIAN X1

This fantastic weatherproof extension lead protector is for those times when your power source is just too far away. It features cord clamps, a flip-out hanger and a padlock-securing loop.

\$50 | ampfibian.com.au

12. CAMPS AUSTRALIA WIDE

Prolific campsite explorers, Philip and Catherine Fennell, have just released the 9th version of the must-have *Camps Australia Wide*. This latest edition has added and verified even more cheap and free campsites.

\$60-\$90 | campsaustraliawide.com

10. IRONMAN 4X4 EZY-GO TOILET

The latest 'camp chair' from Ironman features a 12-litre fresh water tank, a 12- or 20-litre waste tank and has been designed to be easy to empty and clean. Thankfully there's no drink holder, though.

From \$128 | ironman4x4.com

13. RV COMMAND

Want to turn on your air con and see your caravan's battery levels from afar? Maybe you just want real-time security alarms. RV Command gives you full access to your RV's electrics from your smartphone.

From \$300 + \$9/month | rvcommand.com.au

11. ARC'TERYX THETA AR JACKET

Not all jackets are created equal. If you want the best, the latest from Arc'teryx is for you. It's lightweight, durable, breathable and capable of snow-shedding.

\$870 | arcteryx.com
